Dear Mr Fello

Re: STAND, Stoke on Trent Area Network for Disability.

Thank you for your letter dated 8 October 2014 in relation to recent contact which you have received from STAND and please accept my apologies for the delay in my response.

The specific concerns which have been raised in relation to vehicles parking on pavements and causing obstruction have been brought to the attention of and are being considered directly by the force. I note your comments in relation to PCSO's policing this and allowing PCSO's the opportunity to take enforcement actions against individuals who park on pavements. There is currently a review ongoing in respect of this which I hope to be completed by 24 November 2014. Once this review has been completed I will be in a position to advise further and will contact you directly.

I would also like to take this opportunity to advise you that I have kindly been invited to attend the meeting held by STAND and have agreed to confirm my attendance at the STAND meeting scheduled for 30 February 2015 at Stoke New Hall.

Thank you once again for bringing the concerns of STAND to my attention and if I can be of any further assistance then please do not hesitate to contact me.

Yours sincerely
